Free & all welcome

Millie & the Mentshn is a group of classically trained musicians who play world music that ranges from Prokofiev to Gershwin to Latin to dance-in-the-aisle Klezmer. Audiences of all cultural backgrounds enjoy the unusual combination of instruments, the intricate harmonies, and the variety of musical styles and traditions. “Heavy Mettle: From Shtetl to Tin Pan Alley” follows the history of Klezmer musicians from the late 1800s through the 1900s as they assimilate into the New World. This free, live jazz concert is sponsored by the Anacortes Library Foundation Manieri Endowment.
